

# TIME LIMITED BUSINESS ACQUISITION OPPORTUNITY

## PROJECT BUTTON

STOCKIST AND SUPPLIER OF STAINLESS STEEL BAR, NICKEL ALLOYS, ALUMINIUM AND THEIR RELATED PRODUCTS

### Overview

We are assisting the directors in marketing the company by way of a sale of its shares or a sale of part or all of its business and assets.

- The company operates from leasehold premises in the West Midlands and West Yorkshire.
- The principal activity is the supply of primarily stainless steel bar, also nickel alloys, aluminium and their related products.
- The company's assets are its stock, contracts, customer base and knowledge together with some equipment which is in situ at the two trading premises.

The table opposite sets out the recent financial performance of the Company.

There is a limited window of opportunity and we encourage any interested parties to come forward without delay.

### Way Forward

Further information will be available on request and will be provided upon receipt of a signed non disclosure agreement.
